Dear Jack and the whole Easylink-Team

As 2024 draws to a close, we would like to take this opportunity to express our sincere thanks to you. The long-standing and successful collaboration with you is of great importance to us and was once again characterized by mutual trust and excellent communication this year!!!

2024 was an exciting and challenging year for all of us. Thanks to your reliability and really good communication. We would like to say a special thank you to you and your team.

Looking ahead to the coming year 2025, we are aware that new challenges await us. Nevertheless, we are positive and confident about the future and look forward to further expanding our business relationship and celebrating new projects together. We still see a lot of potential in the collaboration from which both companies can benefit.

We greatly appreciate your trusting cooperation and know that we can continue to count on you as a strong partner in the future.

We wish you and your families a peaceful pre-Christmas period, happy holidays and a good start to a healthy and successful New Year.
