Dear Eva,

Good morning,

I'm doing great. Thank you. I hope you are too ^_^

You compared very well. Of the three suppliers that we spoke to, your quote was the lowest. You also offered us the best low tooling / ppap costs as well. My manager and I presented the quotes to our applications engineer / sales team to get their feedback before we proceed to the next step.

My new role here at is to improve margin. Although I'm not part of Sourcing and can't officially choose sources, I can however highlight what you offer to us and make certain that the right people see it.

My team will follow up with the customer teams in a few weeks to see if they've made any decisions. If / when I get some feedback, I'll be sure to let you know.

Best Regards,

D W
