RE: re-order follow up

Hi Nicole,

I reviewed this again and a reorder is not necessary at this time. I will send you an order in 2023. I'm sorry I do not have better news.

Again, I really do appreciate you checking with me on this! Great customer service!!!!!!

Have a wonderful week!

Thank you,

Due to circumstances beyond our control, is not responsible for shipment delays up to and including on board sailing dates, air shipments and deliveries, port congestion and railyard delays.
